

Organized implementation of the strategic goals of CAA by active participation of the members

In order to have organized, coordinated and professional implementation of the goals and activities stipulated in the Strategic Plan and the Action Plan, the Court Administration Association of RM established seven committees. Each of them, composed of 5 members and 5 deputies with four-year mandate with the goal to fulfill the following activities:

Committee for Education of the Court Administration, undertakes necessary activities in the field of professional development of the court administration. Among the first activities of the committee will be the preparation of the Program for training and professional development and the Training program for the manner of operation of the organization and development of the skills of the members of the Association so that the skills and the knowledge of the members of the Association are further expanded.

Committee for Representation and Lobbying, takes up activities related to representing the Association and lobbying before the relevant factors in order to fulfill the strategic goals stipulated in the Strategic Plan of the Association.

Committee for Providing Services and Protection of the Court Administration takes up activities for securing quality of service for the clients and takes care of the protection of the dignity and respect of the members of the Association.

Committee for International Cooperation makes contacts (meetings, international conferences, study trips, trainings) and cooperation with related foreign institutions/donors in order to exchange experience and best practices how to implement the lessons learned within the judiciary of RM.

Committee for Ethics will set the framework for ethical behavior by preparing Code of Ethics and standards for good behavior. It will also take up activities for the purpose of introduction of the system for promotion and sanctioning.

Committee for Strategic Planning and Development takes up activities for monitoring, evaluation of the implemented activities and if needed for changing the adopted strategies and planned activities of the Association.

Committee for Public Relations will take up activities for presenting and promoting the Association in the public and before the donor community, creating relations with the media, in order to increase the trust and confidence of the clients of the court administration services and to increase the trust and confidence of the citizens in the work of the court administration. It is focused towards building a recognizable identity—the image of the Association in public, creating partnerships and cooperation with all stakeholders involved in the communication with the members in order to improve the communication with the public, transparency and accountability of the Association

Members of the Public Relations Committee held its first working session on April 15, 2010. With the support of the USAID Judicial Reform Implementation Project, the Committee enhanced its capacities by creating a communication strategy and finalized the key aspects of the communication strategy of CAA.
